ACCORD 2 - THE ALL OF LIFE ACCORD

Professional Doctrine Reference Page

Purpose of This Reference Document

This document has been prepared by the New World Alliances [Foundation]^{PTT} (NWA[F]) as an educational, informational, and professional reference guide to assist readers in understanding the purpose, principles, doctrine, intent, standing, and practical application of each Accord within the NWA[F] Peace Accord Framework.

It is designed to provide a plain-language overview together with professional reference material, enabling individuals, families, communities, organisations, businesses, diplomats, ambassadors, Indigenous peoples, faith communities, and institutions to better understand the spirit and intent of the Accord and how it may relate to their own circumstances.

While every effort has been made to accurately present the doctrine, principles, supporting instruments, and associated references connected to each Accord, this document is intended as a guidance and educational resource and should be read in conjunction with the full Accord, associated Treaty instruments, Ordinances, Charters, Declarations, and supporting documents where applicable.

The purpose of this publication is not merely to explain the Accord, but to assist readers in identifying which principles, protections, responsibilities, values, and aspirations resonate most closely with their own personal, professional, cultural, humanitarian, diplomatic, commercial, spiritual, or community objectives.

As the Accord Framework continues to evolve through research, consultation, practical application, and international engagement, future editions may contain additional references, commentary, examples, case studies, and supporting material.

The New World Alliances [Foundation]^{PTT} (NWA[F]) is the continuing evolution of the original New World Alliances^{PTT} (NWA), founded by Sir Larry Swart, whose vision, mission, and humanitarian foundations remain central to the organisation today.
