ACCORD 16

THE ECONOMIC DIGNITY & FAIR PROSPERITY ACCORD

A Diplomatic Instrument of the New World Alliances [Foundation]^{PTT} Affirming Economic Dignity, Creative Value, Transparent Systems, and Fair Prosperity Across All Worlds

EXECUTIVE SUMMARY

Why Economic Dignity Is the Sixteenth Pillar of the NWA[F] Peace Architecture

Economics is not merely the exchange of goods — it is the exchange of **life, time, creativity, and possibility**.

The New World Alliances [Foundation]^{PTT} recognises that:

- Every living being [person] deserves economic dignity, opportunity, and fair prosperity.
- Creativity is a form of value — a currency of imagination, innovation, and cultural contribution.
- Blockchain and decentralised systems can support transparency, fairness, and trust.
- Rare earth minerals — on Earth and off-planet — must be governed ethically, sustainably, and without exploitation.
- Less-advantaged communities must have real pathways to prosperity.
- Indigenous economic systems emphasise reciprocity, balance, and community wellbeing.
- Interplanetary economics must be peaceful, ethical, and non-extractive.
- AI and humans must collaborate to build fair, transparent, and regenerative economic systems.

This Accord unifies the strongest protections across:

- International economic rights
- Regional economic frameworks
- Indigenous economic teachings

- Blockchain ethics
- Resource governance law
- Interplanetary resource ethics
- Scientific and technological innovation

It stands inside the Stadium of Light, forming the sixteenth boundary stone of the Peace Architecture.

This Accord is **not legally binding** but **binding in principle** — a universal covenant for fair prosperity across all worlds.
