ACCORD 4

THE CHILDREN'S INTEGRITY & PROTECTION ACCORD

A Diplomatic Instrument of the New World Alliances [Foundation]^{PTT} Affirming the Sacred Rights, Dignity, and Future of All Children

EXECUTIVE SUMMARY

Why Children Stand at the Centre of the NWA[F] Peace Architecture

Children are not merely members of society — they are its continuation. They are the inheritors of every choice made today, and the custodians of every world humanity will one day reach.

The New World Alliances [Foundation]^{PTT} recognises that:

- The protection of children is the highest moral duty of civilisation.
- A child's body, mind, identity, culture, and future must be safeguarded with uncompromising clarity.
- Modern threats — digital manipulation, exploitation, violence, displacement, ecological collapse — endanger children in unprecedented ways.
- Indigenous nations, including Aboriginal Native [Māori] & Te Moana Nui a Kiwa [Pacifica]^{PTT2026}, have long held that children are sacred beings entrusted to the community.
- The 142 signatory states and 300 COR regions each uphold legal traditions affirming the rights and dignity of children.

This Accord unifies the strongest protections across:

- The UN Convention on the Rights of the Child
- International human rights law
- Regional child-protection systems
- Indigenous guardianship teachings
- Aboriginal Native [Māori] tikanga
- Global jurisprudence on child safety

- Interfaith ethical traditions
- Scientific understanding of child development

It stands inside the Stadium of Light (the NWA[F] Declaration), forming the fourth boundary stone of the Peace Architecture.

This Accord is **not legally binding**, but **binding in principle** — a universal covenant to protect the young from harm, exploitation, manipulation, and neglect.

PREAMBLE

The Parties to this Accord,

Standing within the Stadium of Light established by the **NWA[F] Global Humanitarian & Sovereign Cooperation Declaration**, Recognising that children are the most vulnerable members of society and the most essential to its future; Affirming that every child possesses inherent dignity, value, and the right to grow in safety, love, and freedom; Recalling the **UN Convention on the Rights of the Child**, the **Universal Declaration of Human Rights**, the **International Covenant on Civil and Political Rights**, and regional human-rights instruments; Acknowledging Indigenous teachings — including Aboriginal Native [Māori] tikanga — that children are sacred beings, entrusted to the community as gifts, not possessions; Recognising that modern threats — digital manipulation, exploitation, violence, displacement, ecological collapse — endanger children in unprecedented ways; Affirming that the protection of children is the highest duty of states, institutions, families, and societies;
